

Rules Pane

Load the page.

Click on the Rules button.

The rules pane will be displayed above a Back button.

Reduce the vertical size of the browser until the rules text will not fit within the rules pane.

The rules text will gain a vertical scrollbar.

Scroll the rules text. Observe that the Back button will remain in place.

Click the Nav button on the header to open the sideNav.

Observe that the sideNav displays the following options:

- X Button
- Light/Dark Mode
- Home
- Start Game
- User Settings

Resize the window

Observe that the sideNav and Menu elements dynamically resize.
Menu elements will remain centralised between the header and footer.

Close the sideNav using either the X button, or by clicking off of the sideNav element.

Click the Back button to return to the default pane.

Observe that the default pane is displayed below the logo, and all elements are correctly scaled for the new window size.
